Re: Napeague Beach Idea

Dear Board Member,

As we stated in our presentation to you at your October 4, 2011 work session and in subsequent conversations, we have gone forward with the production of a more complete report regarding the above referenced idea.

The enclosed report is the product of our efforts to date. We hope it will inform your ongoing quest for additional protected beaches for East Hampton.

If there are any questions or comments regarding the report, please feel free to call or e-mail us at your convenience.

Sincerely,

Martin Ligorner
Resident and President of EEDRA
